with a view of securing a place for his team in the interstate contest. The Collegiate institute track men are also anxious to be entered.

While All Hallows college is a college in name, yet it is really an academy in athletics and belongs in the class with high schools. The track men are about the age and weight of the high school men and are unable to cope with the stronger and older men of the universities. Coach Bassett anticipates no opposition and expects to have a strong team in the contest on May 14th.

The All Hallows college athletes are all working hard for the annual gold medal contest that is to be held at the school soon. Each year a gold medal is given to the student winning the most points in a track meet, and this year there promises to be greater rivairy than ever.

Among the youths who are showing up well in the different events are:

#### EXCELSIOR STAKES AT NEW YORK TODAY

NEW YORK, April 24.-The racing scene shifts tomorrow from Aqueduct to Jamalea. The events of the day will be the Excelsior handicap at one mile and a sixteenth, the value of which is \$10,000. Fifteen of the best horses in training are carded to go, with Major Daingerfield, carrying the top weight of 120 pounds. Rain or shine there will be a great crowd present to see the horses start in the handicap, for on paper it looks to be one of the most open events of the year. It promises to furnish a better race than it did last year, when the inaugural struggle was won by the late William C. Whitney's Blackstock, the public favorite. Tomorrow a number of the horses will probably go to the post carrying plenty of money. Oarsman and Buttons seemingly are the choice of the layers, although Rosstint, who won the fastest mile of the year at Aqueduct on Saturday, will have plenty of supporters, as will also Rossiand, Wotan and the lightly-weighted Lord Badge, Major Daingerfield, with his heavy impost, is hardly considered a factor so early in the season, as he is a late horse, and Charles Eliwood has been running in notoriously bad form this spring. carded to go, with Major Daingerfield, cartoriously bad form this spring.

# GOV. WELLS TO

Mayor Morris Will Be Behind the Bat and President Samuel Newhouse Will Assist on Tuesday.

Tomorrow afternoon at Walker's park, the Pacific National league season opens and the race for the pennant begins Boise and Salt Lake will clash in this city, while Butte and Spokane will meet on the

while Butte and Spekane will meet on the latter's grounds.

Preceding the game Tuesday afternoon, there will probably be a big street parade. The Boise and Salt Lake teams will ride about the business district in carriages, accompanied by a brass band.

Arrangements have been made whereby President Samuel Newhouse of the Salt Lake club will hand the first ball to Governor Wells, while "the gav" will open the season by pitching a hot one to Mayor Richard P. Morris.

If the weather is fine a record-breaking crowd is anticipated. By beating the Miners yesterday, the Saints showed the blocal fams that they are going to figure in the sprint for the rag. The victory yesterday gave the fams confidence in the toam and a large crowd is expected at the opening game tomorrow, when the Elders will cessay to "do things" to "Honest John" McCloskey's bunch from the North.

Few prettier stops have been made on a local diamond than the one made by Bruyette yesterday afternoon in the third inning. McHale was on first and Bandelin at the bat. "Bandy" swatted out a hard one that looked like a safe hit, but the Elder shortstop was there like the proverbial duck and gathered it in with one hand. Not content with making a grandstand stop Bruyette whipped the leather over to first in time to nab McHale. The fans very properly gave him an ovation.

"Slate" Davis officiated as umpire yesterday and made a hit—with the local rooters. It has been claimed that some of J. Ira's decisions were slightly to the sandpaper, but at that "Slate" favored the local team, so there is no complaint from this section.

A play that bothered some of the fans occurred in the second inning, when Salt Lake was at the bat. The bases were full and Essick knocked a pop-up fly to Bandeiin. The Butte pitcher dropped it purposely and a moment later fired it to Swindell on the piate. Swindell in furn forced out. However, the rules state that when the bases are full and a fly is hit to the infield, the batter is out, whether it is caught or not. The umpire should designate an infield fly as soon as it is hit, Since the batter is out, none of the runners can be forced out.

Fandelin who was in the box for Butte.

Bandelin, who was in the box for Butte most of the game yesterday, was one of Wilmot's best pitchers last year. "Bandy" is not at his best right now, however, as the bad weather in the East has preented him from getting his arm into good

"Mickey" Flynn had eight chances yesterday and made but one error. He had six assists to his credit and one put out. The one that Mickey missed was a high line drive that looked like a pea as it salled away toward the left field. Flynn made a good try but failed to hold the ball after he reached it.

J. Peck Sharp, the Pacific National league umpire, who will officiate in the series with Boise this week, arrived in the city yesterday.

The Butte baltossers left last night for Spokane, where they open the lengue sea-son Tuesday.
